Dear Friends of Sister José,

We are excited to announce our annual celebration will take place at Cathedral Square on Sunday, April 30th, 2023 from 2-4 pm. The theme of the event is Legacy of Love. Sister José's founder/CEO, Jean Fedigan, has dedicated her life to serving women who are the poorest of the poor. She has had a profound impact on women who are chronically homeless. The event will focus on Jean's legacy and impact and strengthening connections with our supporters.

Sister José Women's Center is dedicated to improving living circumstances and eliminating homelessness for our guests. Sister José's is a low-barrier center without requirements, referrals, or fees. The center meets guests where they are and supports a journey to a more sustainable future. Best practices that are utilized include social inclusion in a community setting, sustained relationships built upon trust, access to daily on-site caseworkers, trauma informed care, and gender specific programming.

We would greatly appreciate your support in the form of a product, service, or experience for the event. Please complete a donation form available on our website, and mail or drop off your item to 1028 S Park Avenue, Tucson AZ 85719. If you are interested in sponsoring our event, please reach out to me.

Thank you in advance for your generosity,
